

Stouffville Igoma Partnership

CHILD SPONSORSHIP

The Stouffville Igoma Partnership (SIP) is a community-based humanitarian organization which fosters a partnership between the community of Stouffville and the village of Igoma, Tanzania. Under SIP's child sponsorship program, for just \$30 a month, you can ensure that a child receives life's basic necessities including:

- Nutritious food
- Adequate shelter and clothing
- A bed, bedding and mosquito net
- Ongoing health care for the sponsored child plus two guardians
- Educational support

100% of sponsorship funds are directed to the Igoma community. As a registered Canadian charity, SIP issues tax receipts to child sponsors for the entirety of their support.

If you would like to become a sponsor and change the life of a child in need, please complete the following and send it to us by email or to the address below.

Name: _____

Address: _____

Phone number: _____

Email: _____

For questions and details on payment options, please contact Marcus Gordon, Child Sponsorship Program Director, at icaretanzania@yahoo.ca or by phone at (905) 642-1791.
