

Stouffville Igoma Partnership

DONATIONS

The Stouffville Igoma Partnership (SIP) is a community-based humanitarian organization which fosters a partnership between the community of Stouffville and the village of Igoma, Tanzania. By providing meaningful opportunities for local businesses, groups and individuals to partner with us, we bring relief to those in desperate need in a third world nation. With the support of the Whitchurch-Stouffville community, SIP has had an enormous impact on the village of Igoma, specifically in the areas of health, education and child support. Your donations play a key role in helping this partnership continue.

Please enclose this form with your donation. Cheques can be made payable to the “Stouffville Igoma Partnership”. All donations over \$20 will receive a tax receipt. We thank you for joining hands and creating hope with us.
